

## ***It's Time for Change***

It is time for change,  
For all of us to rearrange,  
Those priorities that we have set,  
And rethink the goals we've not met,  
We have talked "the talk,"  
Now it's time to walk "the walk,"  
It's up to us to do our part,  
To give our all from the heart,  
Absolutely no more "I can't do,"  
But praying for strength to make it through,  
Let's get out of our comfort zone,  
And focus on righting the wrong,  
It's time that our voices are heard,  
That we commit and stand on our word,  
We must truly give of our self,  
Taking "I am going to" off the shelf,  
It's time to answer our destined call,  
And to get right up when we fall,  
There is so much work for us to do,  
We can't stop until we're through,  
We must do all that we can,  
And continue to lend a helping hand,  
I hope you're beginning to see,  
Why "I" must turn into "we,"  
We must unify in love,  
Being led by God above,  
Things will continue to seem out of range,  
Until we realize "IT'S TIME FOR CHANGE."
